

Room 204 Reading Choice Board 1

Every week complete a different activity with the story of your choice. Please feel free to share with me any work you complete via email or Class Dojo.

Write about the story and read it to a family member	Draw about the story and show a family member	Talk about the story with a family member
<u>My favorite part of the story is</u> <u>because</u>	Draw 3 pictures that show the beginning, middle and end of the story	Retell the story to a family member in the correct order using any of these sequence words: first, then, the following day, next, after, lastly or finally
<u>This story reminds me of</u> <u>because</u>	Draw a picture of the setting (where and when the story takes place)	Have a family member listen to you summarize the story using: Somebody..Wanted..But..So..Then
<u>I think the character is (cruel, kind, generous, etc.) because</u>	Draw two pictures: one that shows the problem (conflict) and one that shows the solution (resolution) in the story	Make simple finger puppets using the video directions and use them to act out the story for a family member.
