THANKING HOSPITAL WORKERS

Hospital workers are very busy now. Many people are sick with the coronavirus. Hospital workers are helping sick people become healthy.

Hospital workers work in hospitals.
People who are very sick may go to hospitals. People who are hurt may go to hospitals too.

People who are sick or hurt need help. Hospital workers can help these people.

Hospitals have many kinds of hospital workers.
A hospital worker may be a doctor, a nurse, a therapist, an aide or a pharmacist.

Hospital workers do many things!

A hospital worker may do surgery, take a temperature, give medicine and more.
Hospital workers include janitors and cafeteria workers too.

Janitors make hospitals clean. A clean hospital can help people be healthy.

Cafeteria workers cook food in hospitals. Eating good food can help people be healthy.
All hospital workers are important!

People can thank hospital workers any time.

A good time to thank hospital workers is National Hospital Week. National Hospital Week is May 10 - 16 in 2020. This week celebrates hospital workers.
People can do things to thank hospital workers.

People can make cards, send emails and write letters.

People can send food to hospitals. Hospital workers can enjoy the food.
People can thank hospital workers on social media too. They can say why hospital workers are important.

People can share pictures and videos. They can share stories about hospital workers.

People can use #MyHospital in their posts.
Cities across the U.S. have hospitals.

Many hospital workers are very busy now! They are helping people sick with the coronavirus.

Many people are thanking hospital workers. How can you thank a hospital worker?
Hospital workers work in hospitals.

Hospital workers help people feel better.

Hospital workers use many tools to help people. These tools include stethoscopes, thermometers, shots, bandages and more.
HOSPITALS

Hospitals are in cities around the world.

Hospitals have rooms with hospital beds.

Hospitals have waiting rooms and emergency rooms. They have X-ray machines, medicine, MRI machines, wheelchairs and more.
# HEALTHY PEPPER PIZZAS

<table>
<thead>
<tr>
<th>Need</th>
<th>4 sweet yellow peppers, halved and cored</th>
<th>cooking spray</th>
<th>½ C pizza sauce</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>2 C shredded mozzarella cheese</td>
<td>½ C mini</td>
<td>dried Italian</td>
</tr>
<tr>
<td></td>
<td></td>
<td>pepperoni slices</td>
<td>seasoning</td>
</tr>
<tr>
<td></td>
<td>baking sheet, sprayed with cooking spray</td>
<td>tablespoon</td>
<td>¼ C measuring cup</td>
</tr>
</tbody>
</table>
