[Capstone Interactive](#).

Choose a fairy tale to read. Once you are finished, you will rewrite the story but all mixed up. Include the following changes....

What would happen if the main character was really the villain (bad guy or gal)?

What would happen if two characters from different stories swapped books (think Snow White swapping stories with Little Red Riding Hood)?

Write your story (at least one full page, skipped lines) and read it to someone else in your house.
