

## Math at Home

This week, Origo Math at Home is focusing on comparing and ordering fractions. Please follow the instructions below and complete the current days activities. You may send me a screen shot of any work you complete to my cell phone or my email.

- 1) Go to [Origo Math at Home](#) website. Scroll to the bottom and click on “**United States**”. Scroll to the bottom and click on “**Grade 4**”. Click on “**Week 6**” and complete the activities for the whatever day it is.
