

## Math at Home

This week, Origo Math at Home is reviewing different strategies for multiplication. Please follow the instructions below and complete the current days activities. You may send me a screen shot of any work you complete to my cell phone or my email.

- 1) Go to [Origo Math at Home](#) website. Scroll to the bottom and click on “**United States**”. Scroll to the bottom and click on “**Grade 4**”. Click on “**Week 9**” and complete the activities for the whatever day it is.
